COMPETITION RULES:

1. Teams may enter in either the BLS or ALS Category.
2. BLS Team will compete at the EMT-I level and ALS Teams at the EMT-P level. Any team that has an EMT-P or EMT-P student as a team member **MUST** compete in the ALS Division.
3. All equipment will be supplied. Individuals may wish to bring their own scissors, penlights, goggles and gloves.
4. No video or audio taping will be allowed by spectators or competition participants.
5. No calculators or calipers permitted.
6. Uniform shirts will be replaced with T-shirts to be worn during the competition.
7. All team members will be sequestered at 10:00 a.m. prior to competition. Any team not present at this time will be disqualified.
8. Judges may act as Medical Control if applicable.
9. All assessment skills should be verbalized and performed for full credit.
10. The competition scenarios will use live patients and will be interactive.
11. The Judges' decision is final. In the event of a tie, a second scenario will be used to determine the winner.
12. Competition team members must register for the 2010 CHANGES Conference.
